PROFILE

I'm a university student at the University of Applied Sciences Lapland. I'm studying Machine Learning and Data Engineering (Bachelor of Engineering, Information Technology). Currently looking for a part-time job to support myself and finance my studies.

EDUCATION

Lapin Ammattikorkeakoulu Bachelor of Engineering, Information Technology	2022 – present Rovaniemi, Finland
Lovassy László Gimnázium IT specialized high school	2017 – 2022 Veszprém, Hungary

WORK EXPERIENCE

REWE Group - Penny's Logistic Centre

<i>Administration and IT assistant</i> I handled and ordered forms and parcel-bills and helped out with IT issues when necessary. I was also responsible for the workplace safety education, which meant that I had to teach the new employees about the rules and regulations of the warehouse.	May 2022 – Aug 2022 Veszprém, Hungary
<i>Storeman</i> My job included filling up some of the crates in the warehouse, cleaning and managing the waste that came back from the stores.	Jul 2021 – Aug 2021 Veszprém, Hungary
Restaurant worker Worked as a waiter, cook and cleaner at a beach restaurant for one summer	Jun 2020 – Aug 2020 Balatonalmádi, Hungary
